

Regarding compliance for European REACH Regulation

(1) Registration

According to the content of RIP3.8TGD (Technical Guidance Document) which is published on 26 May 2008, our electronic components are "articles without any intended release". Therefore they are not applicable for "Registration" for European REACH Regulation Article 7(1).

[Reference: Electrolytic Condenser Investigation Society "Study of REACH Regulation in EU about Electrolytic Capacitor" \(publicized on 13 March 2008\)](#)

(2) Constitutive chemical substance and communication

We correspond the constitutive substance in our electronic components. In terms of communication, we have prepared the provision of information by JAMP data format.

JAMP: Japan Article Management Promotion-consortium

(3) Correspondence with Substances of Very High Concern (SVHC)

SVHC(Substances of Very High Concern) candidate list has been and will be released from European Chemical Agency(ECHA). We are prepared to provide information in case the substances on the SVHC candidate list are included in the products.
